

Atlantex's Beach Balls Make a Splash At An Event In Baltimore, MD

Recently, Atlantex beach balls were used to kick-off the summer opening of the Druid Hill Park Public swimming pools in Baltimore, MD. Working in conjunction with Acclaimed Promotional Specialties Inc., located in Owings Mills, MD, Atlantex imprinted 2,500 16" multi-color beach balls with custom designed artwork.

The artwork was re-created from a digital file by Atlantex's internal art department to enhance the print quality of the image.

The balls were used as a give-away to the local residents who utilize the city's 13 public swimming pools. Baltimore City Mayor Sheila Dixon threw the first ball into the pool. Mayor Dixon was joined by hundreds of swimmers who enjoyed the first swim of the summer.
